CLASS HISTORY

In the fall of 1943 the present Senior Class entered the high school like a trickling, quiet mountain stream.

The class officers were: Ellen Stratton, president; Maurice Alpert, vice-president; and Phyllis Burrill, secretary-treasurer. The members chosen for the Student Council were Ellen Stratton, David Allen, and Elrie Carpenter.

During the year the Freshman Dramatics Club presented a play entitled "The Kid Makes Up His Mind." The cast included Ellen Stratton, Nancy Huggard, Carolyn Woods, Fred Littlefield, Clarence Bunker, Phyllis Burrill, and Maurice Alpert.

In September, 1944, our class returned for another year. Soon after election day at Brewer High, we learned that Ernest Moore had become class president; Ellen Stratton, vice-president; and Phyllis Burrill, secretary-treasurer. Joyce Baker, Winfield Stratton, and Ernest Moore were elected to the Student Council.

"Here We Are Again" was the motto of our class in the fall of "45." Class officers were: Maurice Alpert, president; Barbara Foster, vice-president; Merna Baker, secretary-treasurer. Elected to the Student Council were Robert Libby, Clarence Bunker, and Maurice Alpert.

The outstanding event of our Junior year was Junior Exhibition, when we all marched unsteadily down the aisle. The speakers were Annette O'Connor, Edgar Hall, Janice Maddocks, Clarence Bunker, Ellen Stratton, Maurice Alpert, Jean Flaherty, Robert Farrington, Phyllis Burrill, and Ernest Moore. Jean Flaherty and Ernest Moore won the prizes.

"Old sciences are unraveled like old stockings, by beginning at the foot."—Swift.

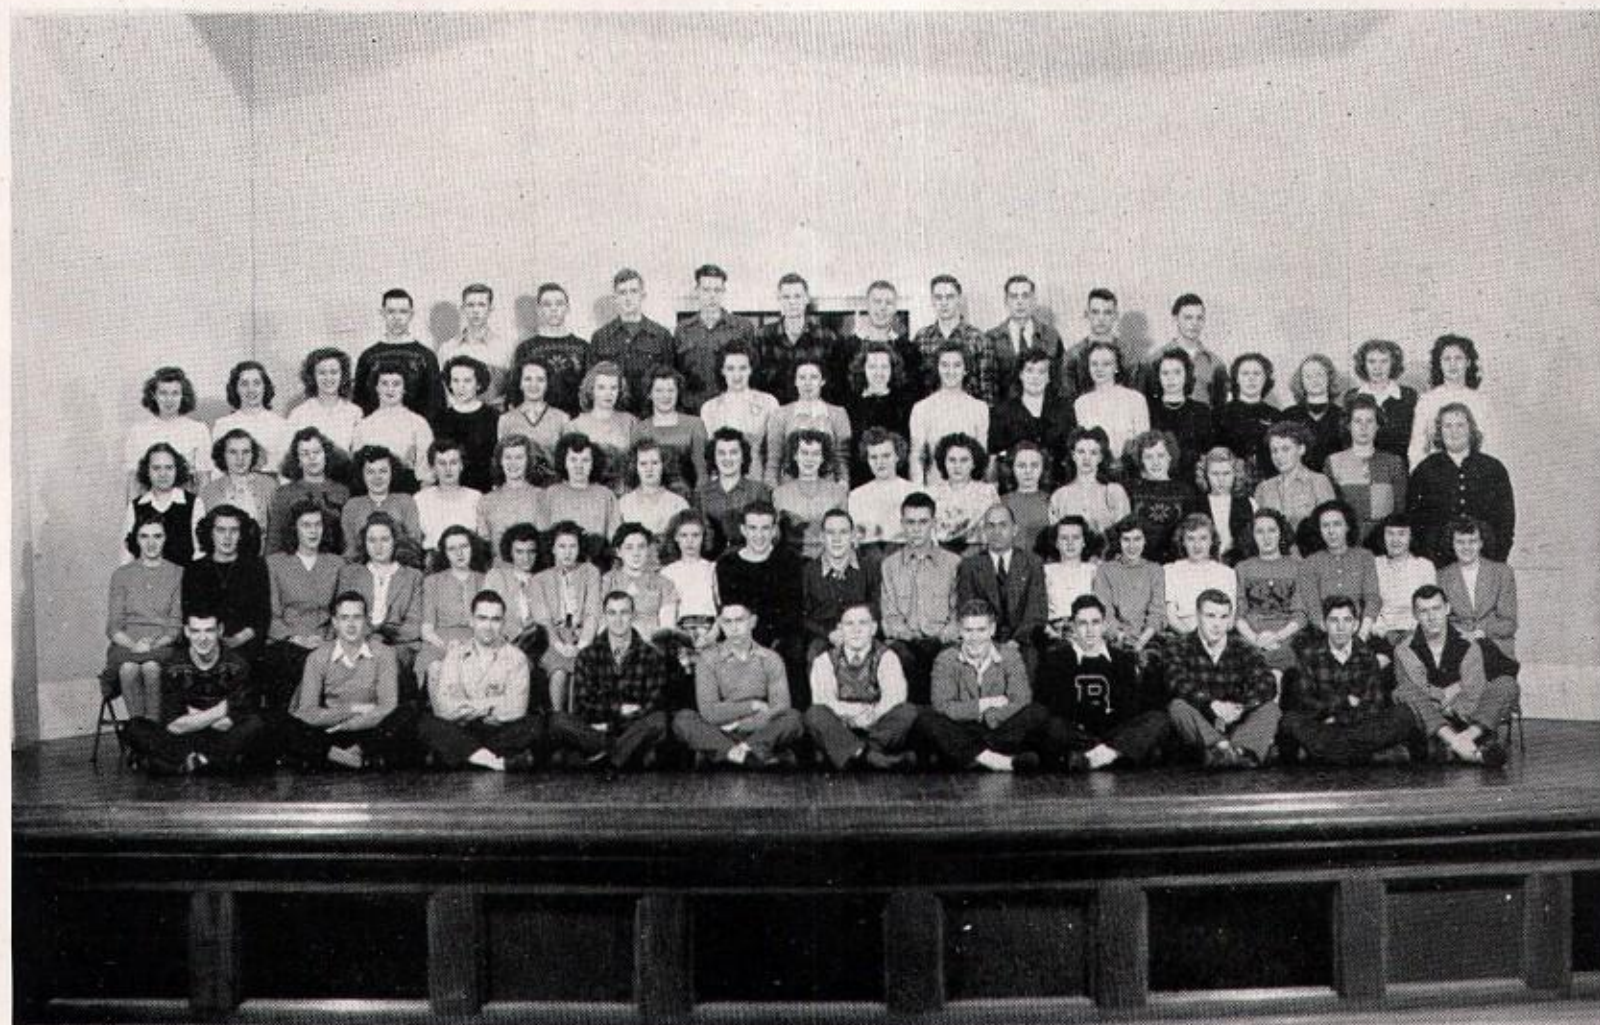

Those of us who had stood up under the strain of the three previous years were back again in September "46". Our class officers were: Ernest Moore, president; Fred Littlefield, vice-president; and Jean Flaherty, secretary-treasurer.

The first notable event was the Senior play, "The Daffy Dills." The participants were Phyllis Burrill, Ellen Stratton, Joyce Peters, Jean Flaherty, Annette O'Connor, Geraldine Hanscom, Merna Baker, Janice Maddocks, Elrie Carpenter, Edgar Hall, David Allen, and Clarence Bunker. The play was under the direction of Mrs. Josephine Gray Doe.

Another prominent event was the completion of the Trident, with Joyce Baker as editor-in-chief. The advisors were Mr. Ernest Haskell, Mrs. Christobel Lawrie, and Mr. Woodrow Bailey.

Our last act was to be graduated. Congratulations went to Margaret Nickerson, valedictorian and Joyce Baker, salutatorian.

Having completed the requirements of the school, the class was graduated; the mountain stream has expanded and flowed into the sea of opportunity.

BREWER HIGHLIGHTS

BREWER HIGHLIGHTS was created to fill a distinct need. At the time of its inception last year, Clinton Jordan, the editor of *Witch Tales*, was having much trouble to get out that mimeographed sheet.

On account of the many difficulties encountered, "Clint" decided we needed a printed paper, and some advertisers. So "Clint", "Red" Libby, and "Jack" Kenney formed a triumvirate strong enough to convince the principal our advertisers, and subscribers that Brewer High had to have a real paper.

There are conflicts in this year's activity schedules, lack of typists, and machines; yet, the staff and subscribers feel that this project is worth while for its record value, for the outlet it offers all students of the school who wish to exhibit their skill in writing editorials, articles, or poems, and for its exchange value.

Patricia Gibbons, Marguerite Floyd, Jeanne Robbins, Eleanor Coney, Beverly Marsh, Cecile Vereault.

VARSDITY CHEERLEADERS

Tryouts for Cheerleaders were held at the beginning of the fall term with Miss Gladys Gould, Miss Marian Hall and Miss Lura Hoit as judges. Leaders were chosen for the following quarters: Appearance, co-ordination, co-operation, dependability, leadership, rhythm, scholarship, and voice.

During the year material was purchased by the G. A. A., and each girl, with the assistance of Miss Bernice Thompson, made a new uniform.

This has been a most dependable group to represent the school. They have had nearly perfect attendance at games; and, too, they have shown much school spirit and enthusiasm in cheering the team on to victories.

Seldom will one find as superior a group as these six girls who have represented Brewer High School both at home and away.

"We hail science as man's truest friend and noblest helper."—Moses Harvey

Bernice Welton, Mabel Cosseboom, Barbara Wiles, Joan Foster, Mary Lou Berry, Marilyn Tucker.

JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders were selected by the same method as the Varsity. They have arrived early at basketball games to cheer for their team and stayed to support the others. This group has worked hard throughout the year, and it is hoped that they will be trying for a place on the Varsity group next year.

Through joint meetings with the Seventh Grade club, it has had the advantage of guest speakers on out-of-door life, rocks, and minerals, and the like, also various films on nature subjects. It has participated in the Penobscot Valley Conference League, where the Brewer affirmative team tied with John Bapst for first place. Each team will receive a cup. The negative team was defeated by John Bapst and Orono.

On March 1, accompanied by Mrs. Todd, both teams went to Dover-Foxcroft, where they participated at Foxcroft Academy in a Bates League practice tournament. Here they won all the debates for which they were scheduled and, in addition, the negative team, substituting for Hallowell High, won one from Bangor High.

The members of the affirmative team are Elizabeth Laffey, Elinore Laffey, and John McDonough, while the negative team consists of Marguerite Floyd and Jeanette Pratt. Other members of the club are Anne Miles, Elaine Roberts, Eleanor Coney, and Joan Miles. The coaches are Mrs. Marjorie Jenkins and Mrs. Helen Todd.

SHOP CLUB

The Brewer Shop Club was organized this year for the purpose of bringing about a closer relationship between school "shop" work and the industrial shop. This has been accomplished by planned visits to various machine shops, garages, welding establishment, and through the medium of speakers and moving pictures.

The club is also sponsoring the following projects: A public exhibit of pupils' work, a basketball team, and, in the near future, "Parents' Night" at the school shop.

The following have served as officers:

President	GEORGE LIBBY
Vice-President	JOHN WINSLOW
Secretary	GERALD HURD
Treasurer	RAYMOND TRIPP

"A whirling body tends to fly outward in a straight line."

COMMERCIAL CLUB

The Commercial Club, now in its second successful year, draws its member from the two upper classes, provided that Juniors must be honor-roll students.

This year's officers are:

<i>President</i>	THELMA HARDY
<i>Vice-President</i>	POLLY JAMESON
<i>Secretary-Treasurer</i>	WINIFRED MURRAY

To the following members of the faculty this club extends its gratitude for their co-operation and many helpful suggestions: Mr. Woodrow Bailey, head of the Commercial Department; Mr. Maynard Sawyer, Mrs. Olive Wentworth, and Mr. Richard Doten.

ORCHESTRA

The High School Orchestra, with its participation in graduation exercises, closed a very active season, during which it played for five assemblies, Parents' Night, Senior Play, Junior Exhibition, Music Night, and at the State Music Festival. A striking improvement was noticeable in the string section of the orchestra, much of this being the result of the able coaching of Miss Margaret Preble, teacher in the string department.

The Orchestra has contributed greatly to musical affairs of the school and reflects much credit on its members and its leader, Mr. Williams.

BAND

The High School Band, under the direction of Edgar Warren Williams, played at all home football and basketball games. It took the trip to Madison for the football game there and opened the football season for the University of Maine, representing the University in their first tilt against Rhode Island State.

The Band played in the concert for the state-wide Teachers' Convention at Bangor. It had the honor of leading all other high school units in the Armistice Day parade and led the welcome-home parade given to the victorious Patten basketball team upon their arrival in Bangor after winning the New England tournament.

Among their many other activities were the football rallies, parades, Memorial Day, and Memorial Sunday, the Pop Concert on Music Night, participation in State Music Festival, and the high school Class Day program.

With their new uniforms the members of the Band provided a colorful and inspiring atmosphere for school functions.

Our basketball team had a fair season, finishing with five wins and twelve losses. The record is better than it outwardly shows, for the boys lost seven games by one, two, or three points. The highlights of the season were the Ellsworth-Brewer game at Ellsworth and the Brewer-Bapst game at Brewer. At Ellsworth the Witches pulled one of the season's biggest upsets when they handed the tournament-bound Ellsworth Eagles a 39 to 37 defeat. In the Brewer-Bapst game at Brewer the Witches led the Crusaders until only one minute was left to play. At this stage of the game Co-Captain Fred Littlefield and Phil Ward left the game via the foul route and Bapst took a winning lead.

The leading scorers for the year were Co-Captain Paul Libby, 192 points; Phil Ward, 173 points, and Co-Captain Fred Littlefield, 145 points.

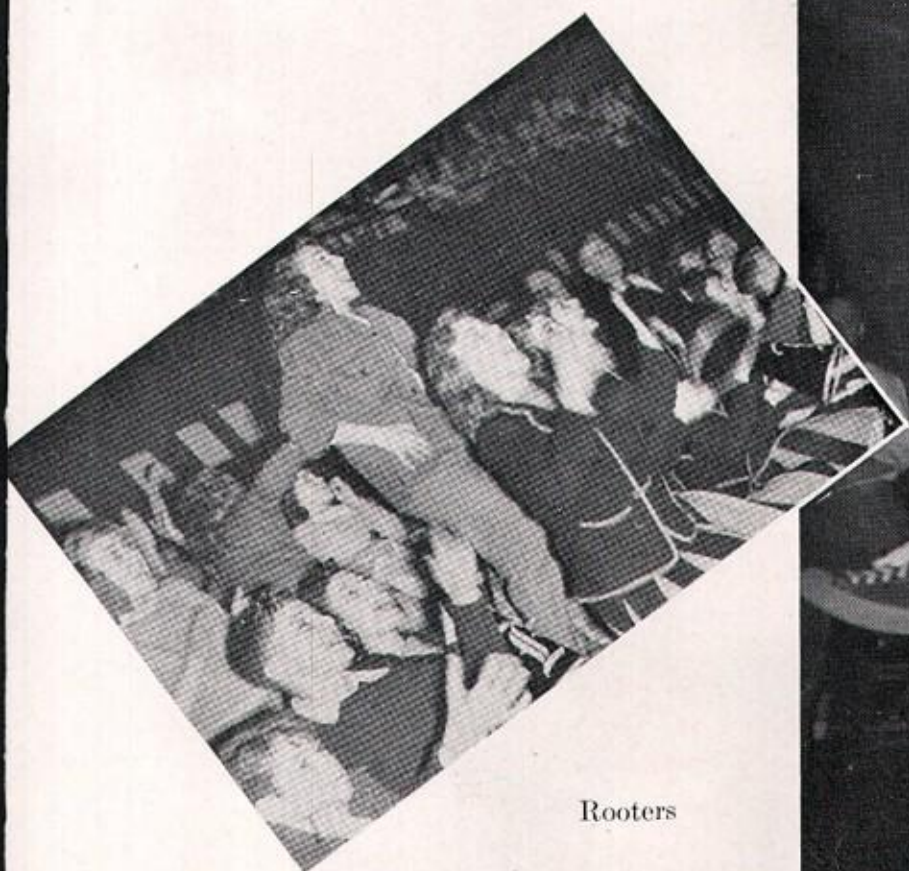

Those receiving letters were Paul Libby, Fred Littlefield, George Vereault, Elmer Giffard, George Libby, Edward Blanchard, Rodney Footman, Phil Ward, Don Cust, and Edwin Roberts. Edward Blanchard and George Libby were elected captains for the '47-'48 season.

JUNIOR VARSITY BASKETBALL

The Brewer Jayvees, under the direction of Coach Al Pike, had a successful season. They carded wins over the Brewer Hi-Y, Old Town twice, Ellsworth, Bucksport, Shop Club, Bangor Five Aces.

The boys played top brands of ball at all times. Twice they scored over seventy points. One Jayvee man, Ralph Higgins, saw some action on the Varsity. The leading Jayvee scorers were Bob Alpert and Marston Hamm.

Back Row—George Hayes, Lamont Higgins, Alfred Stymist, Donald Everett, Coach "Al" Pike.
Second Row—Robert Alpert, Andrew Clements, Captain Frank Doliver, Gerald Hainer, Richard White.
First Row—Marston Hamm, Paul Tower.

Back Row—Coach "Al" Pike, Irwin Campbell, Coach Charlie Heddericq.
 Third Row—Douglas Thompson, Richard Gifford, George Vereault, Albert Brown, Edward Winchester, Maurice Alpert, Reginald Estes, Robert Stefanski.
 Second Row—Robert Dougherty, Robert DeBeck, Arthur Wiles, Rodney Footman, Earl Collins, Edward Blanchard, Robert Libbey.
 First Row—George Libbey, John Winslow, Raymond Tripp, Ernest Moore, Clarence Bunker, Richard Goodness, Sherman Morrison, Lamont Higgins.

GRID HIGHLIGHTS

In the first minute of the Brewer-Rockland game, Captain Ernie Moore snatched a Rockland fumble out of the air and went thirty yards to collect six points. The try for the point failed, and Rockland scored a few minutes later to tie it up. They took the lead when their captain, Don McFellar, kicked the extra point that spelled defeat for the Witches.

In the Greenville game, Art Wiles, "Case" Bunker, and Sherm Morrison all scored and led the Witches to a 19 to 13 victory. Brewer found a capable reserve in Babe Quirion, who entered the game to replace Captain Ernie Moore, carried off due to a head injury in the first period.

In the third game of the season at Bucksport, the Varsity was hitting on eleven cylinders as they took a four-touchdown lead and let the Brewer Jayvees get in nearly a full period of action. Bob Tardiff played an excellent game as a reserve back. When the game ended, Brewer was on Bucksport's five-yard line and sporting a 25 to 0 lead.

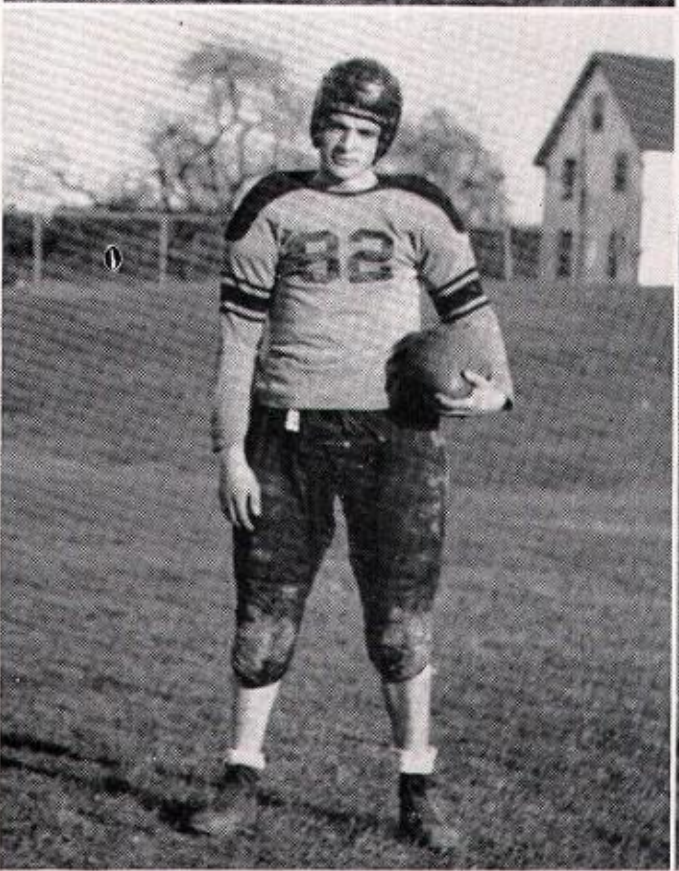

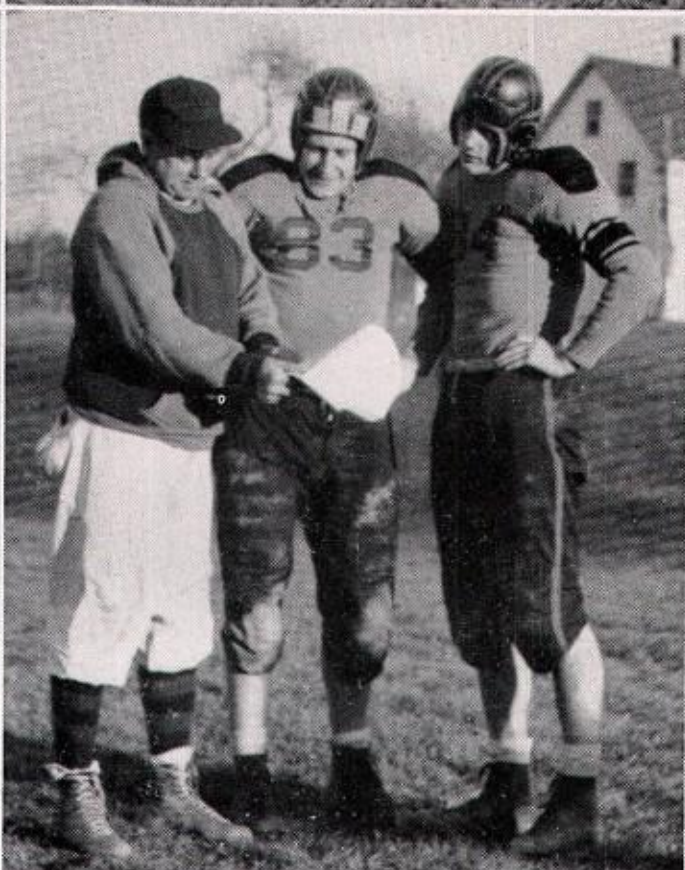

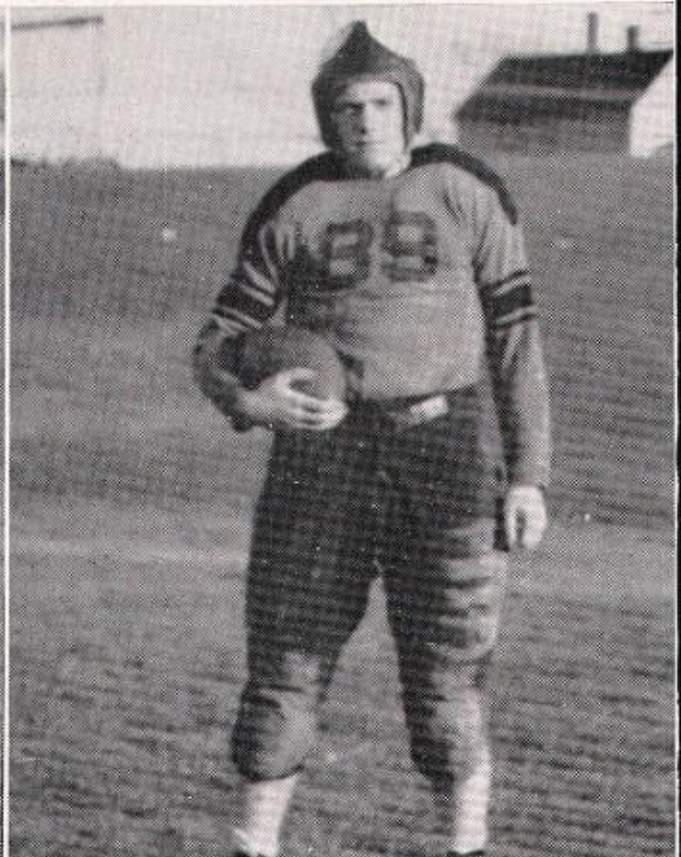

Our next foe was the Old Town Indians. At the outset of this game the Brewer fans felt that Brewer was being outclassed. The team was outclassed for the first half, but when the second half began with Brewer trailing 6 to 0, the Witches caught fire. Bob Tardiff and Johnny Winslow sparked a drive that netted Brewer two touchdowns in eight minutes. This proved too much for Old Town and the game ended with Brewer leading 12 to 6. Incidentally, Brewer played this game without the services of ace backs Sherm Morrison and "Case" Bunker, and linemen Win Stratton and Red Libby.

The last four games were all lost. The Witches lost to Madison, John Bapst, Orono, and Bangor. This was due partly to injuries which constantly hampered the team. The only serious injury was a broken leg suffered by Earl Collins.

Winning Senior High School Girls' Basketball Team

Miss Lura Hoit sponsored a round robin basketball tournament in connection with the activities of the Girls' Athletic Association. Six teams competed against each other. Joyce Baker's team came out first with five wins out of five. The captains of the other teams were Jackie Robbins, Carolyn Woods, Barbara Wiles, Frances Hodgins, and Elaine Roberts.

Gold basketballs were awarded to the winners.

"In general, bodies expand when heated and contract when cooled."

Back Row—Betty Coombs, Ruth Swanson, Rose Cust.
Front Row—Ruth Landry, Captain Marjorie Wiles, Sally Alpert.

Winning Junior High School Girls' Basketball Team

The Junior High girls participated in a six-team league this past winter. The games were held in the high school gym under the direction of Miss Hoit.

The team captains were as follows: Marjorie Wiles, Mary-Jane Robbins, Beverly Wentworth, Betty Irving, Betty Winchester, and Jacqueline Coney.

The league was won by Marjorie Wiles' team with a record of five victories and no defeats. Miniature silver basketballs were awarded to the winning teams.

The league proved to be very successful, with a great deal of enthusiasm shown by the Junior High students.

"There is always friction whenever work is done."

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association of Brewer High School was organized by Miss Lura Hoit in conjunction with the State of Maine point system for the purpose of giving a varied program of sports to many girls.

Members work for points and receive awards accordingly. A student earning 50 points receives her class numerals. During her second year an additional 50 points entitles her to the school "B". The third year, if a student earns 50 more points, she receives a State letter "M". The fourth year of participation entitles each earner of 50 points to a State "M" pin.

Points are earned in archery, badminton, basketball, bowling, volleyball, roller skating, winter sports, working at concessions for basketball and football games, cheerleading, community service, first aid certificates, swimming and life-saving certificates, medical certificates dental certificates, hiking, bicycling, and other similar activities in which individuals may have the opportunity to participate.

There are about 60 members in the association this year. Six basketball teams and six volleyball teams participated in an intramural league. An archery and a badminton tournament were held this year. Due to weather conditions, the archery tournament will have to be finished in the spring. Joyce Baker won the badminton tournament. Many girls have worked at games, thus earning service points for themselves as well as money for the association and school.

A program of this sort gives more girls a chance to participate in a varied program of sports than one with only one or two Varsity sports. It aims to develop a better all-around girl, who can benefit from having made wholesome and varied acquaintances. She becomes a good follower as well as a leader; a good loser as well as a winner.
